TEX 10 | K-9 VEST

We've got your K-9 partner covered with our custom sized K-9 armor. With improved comfort, mobility and reduced weight, the TEX 10 K-9 armor offers outstanding functionality.

The TEX 10 features dual crowd control handles, two D-Rings for short or long leads, MOLLE webbing for attaching flashlights and tracking devices, as well as optional left, right, and front ID tags.

Made from durable nylon material, the TEX 10 has three buckles for ease of getting into, adjusting and removing. The vest provides maximum coverage to the vital organs.

LAPD Navy

Ranger

Black

Coyote

Tactical Grey

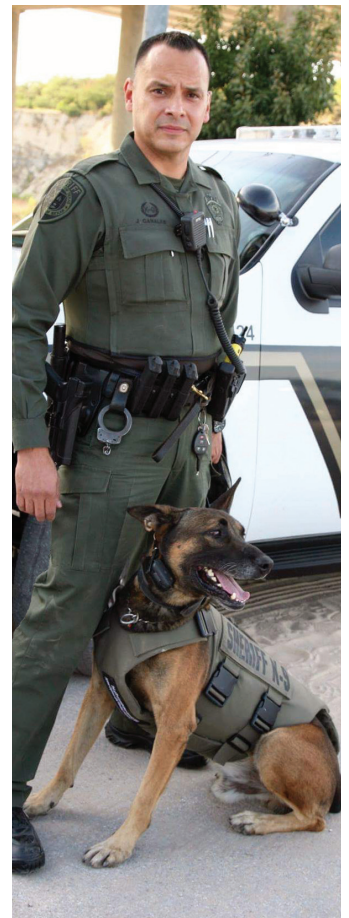

MultiCam®

Standard Features:

- Front and side ID badge attachment points
- Belly and chest coverage
- Chest and side adjustment and release points
- D-Rings for short or long leads
- Dual point crowd control handles
- 3-Dimensional Spacer Mesh Lining for comfort and cooling
- Multiple sizes fitting a range of breeds

Our TEX 10 K-9 armor was named after our first K-9 save. Here is TEX and his partner Deputy Canales.
